

BEFORE
THE PUBLIC SERVICE COMMISSION OF
SOUTH CAROLINA
DOCKET NO. 2003-211-C - ORDER NO. 2005-86
FEBRUARY 28, 2005

IN RE: Application of Motion Telecom, Inc. for a) ORDER CANCELLING
Certificate of Public Convenience and) CERTIFICATE
Necessity to Resell Long Distance Services and)
Provide Prepaid Calling Card Services within)
the State of South Carolina.)

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Motion Telecom, Inc. (“Motion or the “Company”) to cancel its Certificate of Public Convenience and Necessity (“Certificate”) to operate as a reseller of interexchange telecommunications services and operate as a provider of prepaid calling card services in the State of South Carolina. A review of the docket file reveals that Motion’s authority to provide telecommunications services in South Carolina was granted by Order No. 2003-642, dated October 24, 2003. Thereafter, the Commission issued Order No. 2004-159 granting Motion modified alternative regulation of the Company’s interexchange business services and consumer calling card services offerings.

By letter dated December 9, 2004, Motion, through the Company’s counsel, requests the Commission approve the withdrawal and cancellation of the Company’s Certificate of authority effective on or before December 31, 2004. According to Motion, prior notice was given to the Commission regarding a transfer of Motion’s assets to Network US, Inc. The Commission’s records reveal that on August 2, 2004, a Joint

Application was filed by Network US, Inc. and Motion for approval of an asset purchase agreement to transfer the assets of Motion to Network US, Inc. The Commission approved this transaction in Docket No. 2004-215-C and accordingly issued Order No. 2004-637, dated December 22, 2004. Upon completion of the transaction between Network US, Inc. and Motion, Motion was ordered in Order No. 2004-637 to cancel the Company's certification; thus the present matter before the Commission.

As Motion is no longer providing the services for which the Company's Certificate of Public Convenience and Necessity was granted by virtue of the transfer of Motion's assets and customers to Network US, Inc., the Commission finds and concludes that Motion's Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services and prepaid calling card services within the State of South Carolina should be cancelled.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide resold interexchange telecommunications services and prepaid calling card services within the State of South Carolina authorized by Order No. 2003-642, dated October 24, 2003, issued in the instant docket to Motion Telecom, Inc. is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.

/s/
Randy Mitchell, Chairman
